Letter from the Baronage

Greetings to all who read these words!

We, like you, hear the rumblings of war in the north. In response to Their Majesties' request for troops, His Excellency shall venture to the Pennsic War to aid the Royal Army of Atlantia against its foes. We invite all who would attend to join us in our Baronial encampment for both court and a celebration with other members and friends of Windmasters' Hill.

Upon return from war, we have two local events in September. Atlantian University will be September 20 at Optimist Farm in Apex, NC and the Canton of Nimenefeld's Midnight at the Oasis: Vikings at the Oasis will be the following weekend at the same site. We encourage you to come out for both. The autocrat for each event would also appreciate any help you might be able to give with setup or cleanup or any other offers of support

In the month of October, we shall travel west for War of the Wings. Our intrepid Seneschal, Lord Ad-elric, has agreed to be the Windmasters' Hill camp steward. So, please plan to attend and direct any questions about the baronial encampment to him. We are already looking forward to crisp fall nights telling stories around a campfire and enjoying the company of friends.

Finally, we ask you to take a few minutes and consider what it is that keeps you coming back to the SCA and how you can help foster that for others.

Anyone who comes to the July 20 baronial gathering, mentions this letter and shares what this thing is with Her Excellency (without being prompted) will get a surprise.

In service,
Callixtus & Adriana

Letter from the Seneschal

Greetings Windmasters,

It is with great pleasure that I announce that Lady Dyrfinna (MKA) Stephanie Taylor, currently serving as the Seneschal for the Canton of Elvegast, will be stepping up in Aug as the next Baronial Exchequer. She will be handling her transition of responsibilities internal to the Canton of Elvegast.

I would like to once again publicly thank Mistress Threphine for her 7 years of faithful service as our Baronial Exchequer.

I would also like to thank Lord Tankred for also submitting himself for the position.

So If or when you see these 3 individuals please thank them for the willingness to serve and congratulate our new exchequer.

I need to know if anyone in the Barony has plans or is currently working on or considering working on a bid to Autocrat next years Ymir event. Feel free to contact me directly if you wish. I would like any and all bids by 15 August so that we can identify the Autocrat no later then September. This is necessary in order to give the Autocrat adequate time to staff and plan his or her event.

I will repeat what I put out at the Baronial Meeting last weekend for the benefit of those who were not there. Ymir will happen! **We have a site, we have the event SPIKE'd and we have a date for the event.**

If you are interested in putting together and event bid, please contact me and I will send you the Event Bid template with instructions. If you require any assistance in preparing you bid, both the Exchequer and myself are here to assist you.

In absence of any bid submissions by 15 August, I will be submitting a bid.

Running an event like Ymir is extremely challenging but also extremely rewarding. I should also note that there is a possibility that this Ymir could be an Investiture. The Baronage will inform us when they and Their Royal Majesties (currently Their Royal Highnesses) arrive at a decision.

Thank you,
Adelric Falke

Letter from the Chronicler

Greetings from your Chronicler!

At the June Baronial Meeting, I asked what folks were interested in seeing in the Windlore. So, in the next few upcoming Windlore's you will see a few new things. One thing will be a description from the officers on what they actually do, what they're responsibilities are, etc. That way, if folks are interested in stepping into a position or even becoming a deputy, they know what all that office involves.

Another was for some embroidery designs for the Kingdom and Barony so look for those in some upcoming issues.

Again, if there is anything you would like to see in the Windlore, please let me know!

Thank you!

Yours in Service,
Lady Helwynn Ivelchild

FATHER'S DAY POEM

Sophie the Orange
June 15, 2014 at the Baronial Meeting on Father's Day

Patriarch of our household
Leader of our clan
Point man of our tribe
Our family's leading man

Changer of diapers
Cleaner of poop
Fetcher of balls
From under the stoop

Teachers, supporters,
believers, providers
Someone who's heart
Will always be beside us

Even when we're stupid
Forgetful or selfish
Our fathers forgive us
And help us regardish.

Like Charles with three kids
Or Geoffrey or Solvar
Mark, Adelric, or Colon
Who just has one so far

They bring their kids with them
Take them out for a day
And show them the dream
We share in SCA

Those kids will learn more
Than their peers back at school
About chivalry, history
And how one can rule

Be a leader, a friend,
A defender of good,
Be creative, and make things
You never thought you could.

SCA Dads will work hard
and work sweaty and long
To build our community
So we feel we belong

So, now note who's watching
Those kids out at play
And wish all those dads
A great Father's Day!

Baronial Officers—Minister of the Lists (MOL)

The Ministers of the List (MoLs) work in partnership with the Marshals administering the combat activities within Atlantia. The MoLs are responsible for all the paperwork necessary to maintain fighters' authorizations and run combat scenarios at events. It is a warranted position run through the kingdom office.

Summarized Job Description for Baronial MoL:

1. Maintain current membership and warrant as an MoL.
2. Keep a current list of warranted MoLs in the barony.
3. Remind those whose warrants are about to expire to renew and provide them with upcoming opportunities to take a refresher session of the MoL 101 class.
4. Encourage those interested to come and sit a table, see how it works, and then take the MoL 101 class and begin the warranting process.
5. Be available to MoL at canton and baronial events or to staff a table with MoLs from within the barony and beyond its borders if we have need.

Deputies:

Any warranted MoL could take over this position at any time and has all the necessary information to maintain the position as long as the prior MoL maintained up-to-date records. There is not a need for a deputy as it is simply a record-keeping position.

MoL duties described in the Atlantia Book of Policy: <http://law.atlantia.sca.org/Policy.html#4>

NOTE: This refers only to the Kingdom MoL and MoLs who participate in events. The baronial MoL is not a required position and is not governed specifically by policy or required to send in monthly or quarterly reports based on the office. It is a strictly supervisory/administrative position.

4.2 Becoming a Minister of the Lists

4.2.1 MoLs shall be warranted for a period of two years. Warrants shall be issued and maintained at the discretion of the KMoL.

4.2.1.1 All MoL's must request warrant renewal from the KMoL in writing. MoL's must work a minimum of 1 event in the previous year in order to remain warranted; this requirement may be waived at the KMoL's discretion.

4.2.2 Anyone wishing to become an MoL must attend the MoL 101 class and complete the MoL internship program.

4.2.2.1 After taking the MoL 101 class, the MoL trainees must complete a written test. Upon completion of the written test and internship program:

4.2.2.1.1 The Intern must submit, in writing, their desire to take on the office, legal name, SCA name, address, phone number, home branch, email (if available), membership number, and membership expiration date. To support the KMoL office's electronic publication efforts, the candidate must also indicate whether they want quarterly packets in print (receive hardcopy packet) or electronic form (download from the Worldwide Web). The trainee must also confirm or deny 'permission to publish' their contact information in print and/or on-line.

4.2.2.2 The internship program consists of the following:

4.2.2.2.1 The Deputy KMoL for Training maintains a list of senior MoLs who are qualified to act as Mentors. Interns must assist a Mentor MoL at a minimum of two events.

4.2.2.2.2 Both events must involve a tournament format or list tree so the Intern may gain field experience in running tournaments.

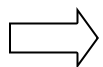

4.2.2.2.3 In order to train at an event, the Intern MoL must get prior approval of the MoL-in-Charge of the event.

4.2.2.2.4 After each event is complete, the Mentor MoL mentor who worked with the Intern at that event will sign off on the Intern's paperwork. The Intern does not have to work with the same Mentor for both events, although they may.

4.2.2.2.5 After the Intern completes two events, they must submit the completed Internship forms with their Mentors' signatures to the Deputy KMoL for Training, who will review the Intern's paperwork, discuss their progress with the Mentoring MoLs, and either recommend warranting or further training.

4.2.2.4 The Deputy KMoL for Training may, at their discretion, waive the Internship requirements.

4.2.2.5 Intern may not serve as a group officer nor as a MoL-in-Charge. They may not sign off as MoL on any list office paperwork. A Mentor warranted MoL must supervise all of an Intern's activities.

Baronial Officers—Minister of the Lists (Continued)

4.3 Duties of a Minister of the Lists

- 4.3.1 A warranted MoL is required to administer all combat activities at Atlantian events. For the purposes of this policy only, an Atlantian event is defined as any event announced in The Acorn. Any combat activity, including tournaments, demos, war practices, and training at Universities or Collegiums, held at these events requires an MoL.
 - 4.3.1.1 Each event shall have an MoL-in-Charge who is responsible for filing a tournament report within 14 calendar days of the event.
- 4.3.2 The MoL must ensure that each fighter checks in and completes the appropriate paperwork prior to entering the lists.
- 4.3.3 The MoL shall prepare one report for each tournament held at an event. If you have three tournaments, the KMoL's office should receive three report forms.
 - 4.3.3.1 If a tournament is scheduled but does not occur or is started but not completed, the MoL should send a tournament report stating this fact and the reason, for example bad weather or lack of marshals.
 - 4.3.3.2 All fees collected must be included with the tournament report. If fees are not paid the authorization or renewals will be void. These funds may not be run through personal accounts. MoLs must have a branch Exchequer issue a check for the total amount. Checks must be made out to "SCA, Inc./ Kingdom of Atlantia" and be included with the tournament report.
 - 4.3.3.3 A copy of the tournament report shall be submitted to the seneschal of the sponsoring branch.
- 4.3.4 Each month the KMoL will publish a list in The Acorn of overdue tournament reports. The MoL-in-Charge will have one month from the date of notification to submit the tournament report or contact the KMoL to resolve any problems.
 - 4.3.4.1 If at the end of the first month of past due notification, the MoL-in-Charge has not resolved the problem with the KMoL, the branch Seneschal will be responsible for locating and submitting the missing report or rectifying any issues with that report. The branch seneschal will have a second month to submit the missing report. The MoL-in-Charge will be suspended.
 - 4.3.4.2 At the end of two months, if the KMoL has not received the communication concerning the missing report, the branch sponsoring the event will be suspended from holding martial activities at events. All authorizations and/or renewals processed at the event may be voided by the KMoL. An announcement will be placed in The Acorn concerning the status of the authorizations/renewals.
 - 4.3.4.2.1 This suspension of the branch will be permanent unless all issues can be resolved and a letter is received from the branch seneschal requesting that the branch be reinstated. The suspension of the MoL-in-Charge will be permanent unless all issues can be resolved with the KMoL.
 - 4.3.4.2.2 Branches that have been suspended will be barred from holding fighting events until they have resolved all issues surrounding the event or the KmoL has approved a substitute for a specific tournament/event. Branch suspensions will be published in The Acorn.
- 4.3.5 It is recommended that all independent branches (such as Shires, Baronies, and Strongholds) and sub-branches (Cantons and Colleges) have an MoL if they wish to host fighting events.

Category 3: ceramics, enameling, glass blowing, lampworking, lapidary, mosaic, pottery, stained glass

Category 4: basket weaving, brewing & vintning, cooking, dyeing, furniture making, herb craft, soap making, spinning, toys & games, weaving (full-sized fabrics or narrow bands)

Category 5: lyric composition, masks, music composition, performance (vocal, instrumental, poetry, storytelling), poetry, prose, dance performance and composition, martial arts performance, research paper

Category 6: armor, chain mail, blacksmithing, jewelry smithing, iron work, tool making, casting, leather work, wood carving and construction, making musical instruments

Category 7: heraldic display, horse barding, subtleties, and anything else that just doesn't seem to fit into the other categories

Please Note: Each item must have separate documentation. ALL ADULT ENTRIES WILL BE JUDGED USING THE NEW KINGDOM CRITERIA JUDGING FORMS EXCEPT for the youth triathlon, which will use the youth triathlon form. If you wish to enter a RESEARCH PAPER as one of your category entries, you MUST contact Mistress Jessamyn di Piemonte no later than MARCH 1, 2015 so that she can arrange to have your paper read BEFORE KASF. RESEARCH PAPERS WILL NOT BE ACCEPTED AS ENTRIES ON THE DAY OF KASF. Contact Mistress Jessamyn at gmorrismusic@gmail.com if you have any concerns or to consult about the categories your entries might fall under so that they meet the entry requirements.
